Description

The CristalRecord Aran LED ceiling fan is a modern and functional device that will bring ventilation and light to any large room. This white ceiling fan with three blades has an elegant design that adapts to any style of decoration. In addition, thanks to its silent DC motor with six rotation speeds, you can enjoy the desired ventilation without discomfort or noise.

Technical characteristics:

- Motor power: 6/10/14/21/31/42 W
- RPM: 110/130/150/170/190/210
- Air flow m³/hr: 4200/6000/7200/8400/10200/11400
- Sound decibels (DB): 43/44/46/47/48/50
- Room size: more than 20 m²
- LED lighting with luminous flux of 3200 Lm and three color temperature tones (3000, 4000 and 6000 K)
- Power-on and timer memory function (1-3-6 hours)
- Reverse function, breeze and remote control included
- Suitable for sloping ceilings up to 15°
- Protection class I and color rendering index (IRC/CRI) of 80

The Aran LED ceiling fan is an ideal device to illuminate and provide ventilation to any large room. With its power-on memory function, you can save your preferences and enjoy the desired ventilation at all times. In addition, its included remote control will allow you to control the light and fan functions with ease. Enjoy a fresh and pleasant atmosphere in your home with the CristalRecord Aran LED ceiling fan.

Specifications
