Description

Gardena Gripcut Scissors is an innovative tool that allows you to cut and hold at the same time with one hand, thanks to its integrated holding function. Its versatility is extremely useful for cutting fresh herbs such as parsley or chives, and holding them at the same time. In addition, it makes it easier to harvest chilies, preventing the spicy juice from staining your fingers.

- Allows you to cut and hold at the same time with one hand
- Integrated holding function
- Ideal for cutting fresh herbs and holding them at the same time
- Easy to use for harvesting chili peppers
- Prevents spicy juice from staining your fingers
