Description

The Wolcraft Precision Cutter (4195000) is ideal for performing extremely precise cutting jobs. Its quality aluminum handle is light and comfortable, making it easy to use for long periods of time. The non-slip grip area guarantees safe and controlled handling of the cutter, avoiding possible accidents. In addition, changing the blade is done easily and without the need for tools, which speeds up the work process.

- Precision cutter for exact cutting work
- Lightweight and comfortable aluminum handle
- Non-slip grip area for safe handling
- Tool-free blade change
