Description

This desktop alarm clock is the perfect tool to make sure you're never late for any appointment. The clock features a silent second hand that does not make noise, ensuring a peaceful night's sleep. In addition, it has an alarm that will wake you up at the scheduled time.

The watch also includes a snooze function that allows you to snooze the alarm for a few extra minutes, so you can sleep a little longer. The clock requires one AA battery (not included) to operate and its black design makes it elegant and easy to match any decor.

This alarm clock also includes packaging, making it ideal as a gift or transport it safely.

In summary, if you are looking for a functional and elegant desktop alarm clock, this model in black is an excellent option.

Main technical characteristics:

- Silent second hand
- Alarm

- Snooze function
- Requires one AA battery (not included)
- Black color
