Roll 100M Hose (3x1.5mm) White

Brand: RCT

Reference: GSC 003902929

The **White Hose** is a high-quality conductive cable designed for various electrical applications. Its **white** coating and its conductive copper material guarantee efficient and safe electrical transmission. With a section of **3x1.5mm** and insulation of **0.5KV**, this cable is suitable for a wide variety of uses. Packaged on **100M** reels, this cable is a reliable and versatile choice for your electrical needs.

Main Technical Features:

- Color: White
- Conductor Material: Copper
- CPR Classification: Meets CPR requirements
- Section: 3x1.5mm
- Insulation: 0.5KV
- Length: 100M

Description

The **White Hose** is presented as a reliable and versatile conductive cable, designed to meet a variety of electrical needs. Its carefully crafted design and superior technical features make it an ideal choice for a wide range of applications.

The cable is coated in a **white** color, which not only allows Easy identification and routing of cables in electrical installations, but also provides a clean, professional look. The main conductive material used in this cable is copper, which is widely known for its high electrical conductivity and low resistance, ensuring efficient transmission of electrical current.

White Hose meets the **CPR** classification, which means it meets the reaction to fire requirements for various applications. This ensures that the cable maintains its integrity in fire situations, which is crucial

for the safety of electrical installations.

The section of the cable is **3x1.5mm**, which makes it suitable for a variety of applications, from lighting systems to more demanding electrical devices. The cable has **0.5KV** insulation, which provides adequate protection against short circuits and power loss.

Packaged in reels of **100 meters** , the **White Hose** is presented conveniently and ready for installation. Whether you're working on residential or commercial projects, this flexible, durable cable is a reliable and versatile choice for a variety of electrical needs.

Specifications

Colour	White
EAN	8429642008755
Manufacturer	GSC
Weight (kg)	9,95
Cable cross-section (mm²)	3x1.5
