Roll 100M Flat hose (2x1.5mm) Black

Brand: GSC

Reference: GSC 003902937

- **Insulation:** 0.5KV
- **Applications:** Ideal for general applications on construction sites.
- **Insulation Classification:** CPR Reaction to Fire Classification: ECA
- **EAN:** 8433373029378
- **Packaging:** 1 roll
- **Cable Length:** 100 meters
- **Conductor Material:** Copper
- **Packaging:** Shrink-wrapped
- **Section:** 2x1.5mm
- **Type:** Flat hose

The **2x1.5mm Black Flat Hose Roll** is a versatile solution for general applications on construction sites. This cable, with advanced technical features, is essential for a variety of electrical tasks in construction environments.

Description

Benefits and Applications:

- **Versatility:** This flat hose is suitable for a wide range of general applications on construction sites, which makes it essential in any project.
- **Fire Protection:** Its CPR ECA classification guarantees that the cable is designed to limit the generation and spread of fire and smoke, which is essential in construction environments.
- **High Conductivity:** Made with high quality copper, it guarantees efficient energy transmission.
- **Practical Packaging :** Comes in a 100-meter roll, shrink-wrapped for easy storage and transportation.

The **2x1.5mm Black Flat Hose Roll** is a reliable solution that meets the safety and quality standards necessary in construction projects. Its versatility, fire protection capabilities and high conductivity make it ideal for a wide variety of electrical applications in this sector. Simplify your construction projects with this quality flat hose.

Specifications

Colour	Black
EAN	8433373029378
Manufacturer	GSC
Weight (kg)	5,4
Cable cross-section (mm²)	2x1.5
