21W E27 standard A65 LED bulb

Main features:

- Standard A65 LED bulb for indoor use
- 21W power and brightness of 2350 lumens
- E27 socket for easy installation
- Available in 6000K color temperature
- Aluminum and PC material for durability
- 200° illumination angle for wide light coverage
- Color Rendering Index (Ra) greater than or equal to 80
- Lifespan of up to 25,000 hours
- Voltage range 175-265V

[View product online](#)**Description**

The A65 21W E27 standard LED bulb is an ideal choice for efficiently and effectively lighting interior spaces. With a power of 21W and a brightness of 2350 lumens, this bulb provides bright and clear lighting in any environment.

Its E27 socket makes it easy to install in a wide variety of luminaires, making it versatile and convenient. The bulb is available in a color temperature of 6000K, which emits cool white light suitable for spaces that require bright, crisp lighting.

Made of high-quality materials such as aluminum and PC, this bulb LED guarantees durability and resistance, ensuring a long lifespan. The illumination angle of 200° guarantees a wide and uniform coverage, effectively illuminating the entire space.

With a color rendering index (Ra) greater than or equal to 80, this bulb allows an accurate reproduction of colors, enhancing the appearance of objects and creating a visually appealing environment.

In addition, the LED bulb has a lifespan of up to 25,000 hours, which means less need for replacement and lower energy consumption in the long run. term. With a voltage range of 175-265V, it is compatible with most residential electrical systems, offering hassle-free installation and operation.

Specifications

Opening angle	200º
Cap	E27 - rosca ancha
Energy classification	E
EAN	8433373050938
Turned on (ON/OFF)	15000
Manufacturer	GSC
Weight (kg)	0,123
Power (W)	21
Adjustable	No
Nominal voltage (V)	230V
Type of lamp	Standard
Colour temperature	6000K
Estimated life (h)	25000
