Product sheet

Spherical LED bulb 8.5W E27 3000K

Brand: GSC

Reference: GSC 200690045

8.5W E27 3000K spherical LED bulb

Main features:

- G45 type spherical LED bulb
- Designed for indoor use
- Power of 8.5W and brightness of 806 lumens
- E27 socket for easy installation
- Warm white light at 3000K
- Lighting angle 180º for wide light distribution
- Excellent color rendering with a Color Rendering Index (CRI) greater than or equal to 80
- Long lifespan of up to 20,000 operating hours
- Compatible with 220-240V voltages

Description

The 8.5W E27 3000K spherical LED bulb is an excellent choice for indoor lighting. With its compact design and adequate wattage, it provides bright, efficient lighting for a wide variety of applications.

The E27 socket makes it easy to install the bulb in different fixtures and sconces. With its 3000K warm white light, it creates a cozy and pleasant atmosphere in any room.

The spherical LED bulb emits light at an angle of 180º, ensuring a wide and even distribution of light . In addition, it offers excellent color rendering, bringing out the colors and details of illuminated objects.

With a lifespan of up to 20,000 hours, this spherical LED bulb is durable and reliable, reducing the need for frequent replacement. In addition, it is compatible with 220-240V voltages, ensuring its correct operation in most residential and commercial electrical systems.

Specifications

Opening angle	180º
Cap	E27 - rosca ancha
Energy classification	F
EAN	8433373056954
Turned on (ON/OFF)	15000
Manufacturer	GSC
Weight (kg)	0,036
Adjustable	No
Nominal voltage (V)	230V
Type of lamp	Spherical
Colour temperature	3000K
