LED candle bulb 5W E14 3000K

Brand: GSC

Reference: GSC 200695015

LED candle bulb E14, 5W, 470Lm, 3000K.

Characteristics:

- Type: C37
- Indoor use
- Reference: 200695015
- Power: 5W
- Lumens: 470Lm
- Socket: E14
- Color temperature: 3000K
- Light angle: 180°
- Lifetime: ≥20,000 hours
- Voltage: 220-240V

[View product online](#)**Description**

The E14 LED candle bulb is an elegant and efficient option for indoor lighting. With its candle-shaped design, it adds a decorative touch to any space, whether in homes, restaurants or shops.

This model, with a power of 5W, provides a perfect balance between energy efficiency and brightness . With 470 lumens, it offers clear and bright lighting, suitable for creating cozy and comfortable environments.

The bulb has an E14 socket, which makes it compatible with a wide variety of lamps and sconces that use this type of connection.

With a color temperature of 3000K, it emits a warm and pleasant light, ideal for creating a cozy atmosphere in spaces such as living rooms, bedrooms or dining rooms. The 180-degree light angle allows for even light distribution, efficiently illuminating the room.

In addition, the E14 LED candle bulb has a lifespan of at least 20,000 hours, which guarantees its

durability and long-term performance. With a voltage of 220-240V, it is compatible with most standard electrical installations.
