

## Product sheet

**LED candle bulb 8.5W E14  
3000K**

Brand: GSC

Reference: GSC 200695021

LED candle bulb, 8.5W, 806Lm, E14, 3000K.

Characteristics:

- Indoor use
- Reference: 200695021
- Type: Candle
- Power: 8.5W
- Lumens: 806Lm
- Socket: E14
- Opening angle: 180°
- Lifetime: 20,000 hours
- Voltage: 220-240V

[View product online](#)**Description**

The LED candle bulb is an ideal option for interior lighting, offering a perfect combination of style and functionality. With a power of 8.5W, this bulb provides a high level of brightness with a luminous flux of 806 lumens, efficiently illuminating any space.

With its E14 socket, the installation of this bulb is quick and easy, adapting to a wide variety of lamps and sconces. In addition, its 180-degree opening angle allows a uniform distribution of light, illuminating efficiently and without glare.

The 3000K color temperature creates a warm and cozy light, perfect for creating comfortable environments in any room. With a color rendering index (CRI) greater than 80Ra, colors are perceived more naturally and true to life.

With a lifespan of 20,000 hours, this LED candle bulb guarantees long-lasting lighting and reliable, reducing the need for frequent replacement. In addition, its compact and elegant design fits perfectly into any decorative style.
