Description

The Avocado Toaster redefines the toasting experience with its intuitive design and exceptional

features. Imagine starting your mornings with the irresistible aroma of toasted bread filling the air. With its double bread slot, this toaster allows you to prepare two slices of bread at the same time, which is perfect for saving time on busy mornings or satisfying toast cravings at any time of day. . The control lever is a nifty feature that allows you to customize the degree of browning to your preferences. From a light golden brown to a crisp dark roast, the choice is in your hands. In addition, the integrated crumb tray makes it easy to clean after each use. Avoid crumbs and debris strewn on the countertop and simply remove the tray for easy disposal. The brownness degree timer is an essential feature that allows you to achieve toasty perfect on every slice of bread. Do you prefer lightly browned toast or crisp toast? With the Avocado Toaster, it's a matter of setting the timer and waiting for the enticing aroma to fill the room. In addition to its basic functionality, this toaster also offers two functions in 1 : heat and defrost. Forget about waiting for your bread to defrost slowly, with this function, you can have bread ready to toast in minutes. Its 700W efficient power guarantees fast and even toasting, so you don't have to wait long before enjoying your perfect toast. The Avocado Toaster is designed for comfort and durability. The stainless steel slot not only ensures even browning, but is also durable and easy to clean. When it's time to clean the toaster, its clever design makes it easy to disassemble and clean. And with a 0.85m cord, you'll have enough length to place the toaster where it's most convenient for you.
