Description

The 2 meter roll of "V" shaped foam corner protectors is an excellent option for those looking to protect the corners of furniture, stairs and other objects from possible bumps and scratches. The roll includes 4 corner units, all of them made of high-density foam and with 3M adhesive tape for easy installation.

The "V" shaped foam corner protector roll is ideal for protecting corners of tables, cabinets, bookcases, ladders, and other objects with sharp corners. The 2 meter roll allows the protectors to be cut to the desired size, which makes it especially useful for DIY projects.

The roll of "V" shaped foam corner protectors is presented with 4 units included and has the reference 500070009. Their beige color makes them easily combinable with any decoration. Its dimensions are 35x55x55mm, which guarantees effective corner protection.

Technical Characteristics:

- Material: Foam
- Type of installation: Adhesive 3M
- Roll of 2 meters and 4 corner units
- Reference: 500070009
- Color: Beige
- Dimensions: 35x55x55mm
