Description

The JIS Electro Overlay Lock with Right Opening Push Button 1903D is a reliable and convenient security solution for your home or business. Featuring a push-button overlay design, this lock offers quick and secure access with the push of a button. The lock has an adjustable needle cylinder from 30 to 80mm, which makes it adaptable to different types of doors. In addition, its right-hand guard makes it ideal for doors with this orientation. It comes with 3 keys so you can share them with those who need authorized access. This lock operates on 12V/AC, making it energy efficient. Protect your property with this high-quality and easy-to-use JIS Electro Rim Lock.

- Right JIS 1903D Rim Electro Lock
- Adjustable needle cylinder from 30 to 80mm
- Open button
- Right hand guard
