

## Product sheet

## Surface box Practibox S smooth door 4x12 rows

Brand: LEGRAND

Reference: LEGRAND 135124

The 4x12 smooth door Practibox S Surface Mount Box is a surface mount solution designed to simplify installation and wiring in electrical projects. With dimensions of 766mm x 328mm x 108mm, it has a fire resistance of 650° and is supplied with a door and built-in earth terminals to save assembly time and guarantee a perfect finish.

Main technical characteristics:

- Designed for surface mounting
- Dimensions: 766mm x 328mm x 108mm
- 650° fire resistance
- IP40 IK07 Class II
- Plastic material
- Supplied with door and built-in earth terminals

### Description

The 4x12 smooth door Practibox S Surface Mount Box is a surface mount solution designed to simplify installation and wiring in electrical projects. With dimensions of 766mm x 328mm x 108mm, this box has a capacity of 4 rows and 12 modules, which makes it very versatile and suitable for projects of different sizes and needs.

This box has a 650° fire resistance, which makes it ideal for electrical projects that require a high level of safety and fire resistance. In addition, this box has a degree of protection IP40 IK07 Class II, which makes it resistant to dust and shock.

The Practibox S Surface Mount Box 4x12 smooth door is supplied with door and terminals built-in ground leads, making installation even easier and providing you with added safety. In addition, this box is made of plastic material, which makes it light and easy to handle.

In summary, the Practibox S Surface Mount Box smooth door 4x12 is a very versatile surface mounting solution and suitable for electrical projects of different sizes and needs. With its practical and safe design, this box is designed to simplify installation and wiring, saving assembly time and guaranteeing a perfect finish.

Additional technical characteristics:

- Modular design to adapt to different space and capacity needs
- Easy installation and configuration
- Allows great versatility and adaptability in any type of electrical project
