Description

Polyester Lashing Tape 1500kgx100m

The 1500kgx100m polyester lashing tape is ideal for placing objects in difficult places, such as wells, and for loading or dragging. Its sewing quality and surface treatment guarantee its resistance and durability in various applications. With a width of 25mm and a length of 100 meters, this tape offers a load capacity of up to 1500kg, making it a reliable tool for securing and transporting heavy loads safely. Its compact and easy-to-handle design make it perfect for use in different environments and situations where a firm and secure hold is required. Don't be left without the polyester lashing tape you need!

- **Width [mm]:** 25
- **Load [kg]]:** 1500
- **Length [m]:** 100
