Description

1/2 Female Thread Air Connector

The 1/2 Female Thread Air Connector is a compact and lightweight accessory designed for use in installations that operate with compressed air. With 1/4", 3/8" and 1/2" female threads, this connector is versatile and adapts to different needs. In addition, it has inverted threads that eliminate the need to apply sealant, making it easier to install and ensures a secure seal.

- Thread: 1/2"
- Compact and lightweight
- Suitable for compressed air installations
- Versatile, with 1/4", 3/8" and 1/2" female threads
- Inverted threads that do not require sealant
