Description

1/4 Large Flow Male Quick Connector

The 1/4" male quick connector with large flow is ideal for installations that require a greater flow of compressed air. With 1/4", 3/8" and 1/2" threads, this quick coupler offers versatility and efficiency in different applications. Inverted threads eliminate the need to apply sealants, making installation easier and ensuring a secure seal.

- Thread: 1/4"
- Quick plug with high flow of compressed air
- 1/4", 3/8" and 1/2" threads for greater versatility
- Inverted threads that do not require sealants
- Easy installation and secure sealing
