Description

1/2" Universal Male Quick Connector

The 1/2" universal male quick connector is a versatile and practical tool that facilitates the connection of compressed air equipment. With 1/4", 3/8" and 1/2" male threads, it is compatible with all compressed air systems, making it ideal for a wide range of applications. Additionally, its inverted threads eliminate the need to apply sealants, simplifying use and ensuring a secure seal.

- Thread: 1/2"
- Universal quick coupling with 1/4", 3/8" and 1/2" male thread
- Compatible with all compressed air systems
- Inverted threads that do not require sealants
- Facilitates the connection of compressed air equipment
