Description

1/4 High Flow Female Quick Connector

The high flow female quick connector with 1/4" thread is ideal for installations that require greater air flow Compressed. Manufactured from heat-treated, hardened steel and a nickel-plated surface, this socket is resistant to rust and corrosion, ensuring long life. Reversed threads make it easy to install without the need to apply additional sealants.

- Thread: 1/4"
- Available in 3/8" and 1/2" sizes
- High airflow capacity
- Corrosion resistant material
- Easy installation without the need for sealants
- Manufactured from heat-treated hardened steel

Specifications

High	3,00
Width	13,00
EAN	8445187065114
Weight (kg)	0,193

Depth	17,00
