Description

1/4" Universal Female Quick Coupler

The 1/4" universal female quick coupler is a versatile and durable tool that facilitates the connection of different compressed air systems. Made from heat-treated hardened steel and a nickel-plated surface, this plug can resist rust and corrosion, ensuring long life. Its inverted thread design allows for a secure connection without the need to apply sealants.

Thread: 1/4"

Compatible with compressed air systems

Manufactured from heat-treated hardened steel

Nickel plated surface for durability, rust and corrosion

Inverted threads for a secure connection

No sealants need to be applied

Specifications

Height	2,50
Width	10,00
COFAN	8445187065121
Weight (kg)	0,114
Depth	13,00
