Description

High Performance Mini Blower with 1/4 Thread

The High Performance Mini Blower with 1/4 Thread features a revolutionary VENTURI mechanism that uses side holes to combine free air with compressed air, generating a greater volume of air output in optimal conditions. Weighing 139 grams, this blower is light and easy to handle. The air inlet thread is 1/4 inch, making it compatible with a wide variety of tools and equipment. Ideal for tasks that require powerful and efficient airflow, this blower is an excellent choice for professionals and DIY enthusiasts alike.

- Weight [gr]: 139
- Air Inlet Thread: 1/4"
