## Description

**6x38 mm Reversible Screwdriver**

The PH 2 and SL 5 Reversible Screwdriver is a versatile and practical tool, with short and long versions to adapt to different needs. Its strong and durable ergonomic handle ensures a comfortable and secure grip during use. Magnetic tips make working with small screws much easier, making repair, installation and maintenance tasks more efficient. By removing and rotating the rod, it is possible to switch between the two types of mouths, making it a very convenient and functional tool. Strong and durable, this screwdriver is designed for long-term use and is ideal for a wide variety of applications thanks to its comfort of use.

- Measurement [mm]: 6 x 38
