Product sheet

Sl 8x150 Impact Screwdriver

Brand: COFAN

Reference: COF 09502508

Flat impact screwdrivers with flat footprints from 4 mm to 9.5 mm and lengths up to 45 cm, are made of chrome-plated steel. They contain a projection for striking and flat parts to add tools in case of forced turns. Ideal for applications where a high-performance screwdriver is required. The handle has a non-slip and comfortable grip. Made of chrome molybdenum and vanadium steel with the chrome rod ensure the durability of the screwdriver. The material of the handle and the rod ensure high resistance to levers and impacts.

- Model: SL 8x150
