Product sheet

Sl Impact Screwdriver 9.5x200

Brand: COFAN

Reference: COF 09502511

Flat impact screwdrivers with flat footprints from 4 mm to 9.5 mm and lengths up to 45 cm, are made of chrome-plated steel. They contain a projection for striking and flat parts to add tools in case of forced turns. Ideal for applications where a high-performance screwdriver is required. The handle has a non-slip and comfortable grip. Made of chrome molybdenum and vanadium steel with the chrome rod ensure the durability of the screwdriver. The material of the handle and the rod ensure high resistance to levers and impacts.

- Model: SL 9.5x200

Description

Sl 9.5x200 Impact Screwdriver

The SL 9.5x200 flat impact screwdrivers have a flat footprint from 4 mm to 9.5 mm and lengths up to 45 cm, made of chromed steel to offer high performance. Ideal for applications requiring strength and durability, these screwdrivers have a protrusion for striking and flats for adding tools in forced turns. The non-slip and comfortable handle ensures a secure grip, while the chrome molybdenum vanadium steel of the chrome rod ensures long life. With high resistance to levers and impacts, this screwdriver is a reliable tool for demanding jobs.
