Description

1000v Screwdriver Protected Rod 6.5x150

This insulated 1000V electrician's screwdriver is perfect for electrical work. In accordance with IEC 60900 and GS regulations, it guarantees maximum safety in electrical environments. Its red handle makes it easy to identify and its ergonomic design provides a comfortable and secure grip. The protected 6.5x150 mm rod ensures greater durability and resistance, allowing prolonged use without deterioration. The flat footprint, with measurements from 2.4 mm to 8 mm, provides versatility for different tasks. With a maximum length of 175 mm, this screwdriver is an essential tool for professionals and hobbyists looking for quality and reliability in their tools.

- Model: 150
- Footprint [mm]]: 1.2
- Tip Diameter: 6.5
