Description

Pole Finder Screwdriver L-140 100-250v

The Pole Finder Screwdriver L-140 is an essential tool for electricians and professionals who work with electrical circuits. With a built-in indicator light, this pole finder is capable of detecting voltages of 65v and 100v, providing a safe and effective way to verify the presence of current in a circuit. Its compact and ergonomic design, with a length of 140mm, makes it easy to transport and use in small spaces.

- Screwdriver socket with built-in light indicator
- For tensions 65v and 100v
- Length: 140mm
- V Letter in glasspack: 65

Specifications

High	2,00
Width	2,00
EAN	8445187102499
Weight (kg)	0,018
Depth	15,00
