Description

Spring Effect Channel Pliers 7 (170mm)

Spring effect channel pliers are essential tools for any job that requires a firm and precise grip. With sizes available in 7, 9 and 10 inches, these pliers offer versatility for a wide range of applications. The total length of this pliers is 170 mm, making it ideal for jobs that require precision and control.

- Red plastic handle for a comfortable and secure grip.
- Spring effect makes it easier to open and close the tongs, reducing hand fatigue during prolonged use.
- Durable construction ensures long life and reliable performance.
- Ideal for DIY jobs, home repairs, plumbing work, electrical work and more.
- The 7-inch length provides a perfect balance between compact size and gripping ability.
