Product sheet

Large Opening Adjustable Wrench 10

Brand: COFAN

Reference: COF 09514933

Comfort large opening reversible wrench. It is made of high quality chrome-vanadium steel that gives it greater resistance and durability. Its chrome-coated surface protects it from rust and makes it resistant to corrosion. Measurements range from 6"/15 cm to 10"/25.5 cm. Very precise central wheel opening system. Millimetered on both sides for quick adjustments. It is used for automotive maintenance and repair, plumbing and general repair tasks. It is a very precise wrench, without play, allows great efforts, does not damage the nut and has a long useful life.

- Measurement: 10" (25.5cm)
- Opening [mm]: 50
