B-20 Cabinet Maker's Hammer

Brand: COFAN

Reference: COF 09515026

A cabinetmaker's hammer, it has a handle made of fiberglass. There are several models available and different weights, 140 g, 180 g, 230 g and 320 g. Its head is made of high quality steel. Its handle is ergonomic, since it has a grip that prevents the transmission of the blow to the hand. The hammer has its head attached to the handle so that there is no possibility of it being separated, offering safety in use. It is very useful for construction, masonry or DIY work. It has very good resistance to oxidation, corrosion and high temperatures.

- Model: B - 20
- Weight [gr]: 180
