Product sheet

Cabinetmaker's Hammer D-25

Brand: COFAN

Reference: COF 09515028

A cabinetmaker's hammer, it has a handle made of fiberglass. There are several models available and different weights, 140 g, 180 g, 230 g and 320 g. Its head is made of high quality steel. Its handle is ergonomic, since it has a grip that prevents the transmission of the blow to the hand. The hammer has its head attached to the handle so that there is no possibility of it being separated, offering safety in use. It is very useful for construction, masonry or DIY work. It has very good resistance to oxidation, corrosion and high temperatures.

- Model: D-25
- Weight [gr]: 320

Description

D-25 Cabinetmaker's Hammer

Cabinetmaker's hammer with fiberglass handle and high quality steel head. Available in various weights: 140g, 180g, 230g and 320g. The ergonomic handle prevents the transmission of shock to the hand, offering comfort and safety in use. The union between the head and the handle guarantees stability and prevents possible separations. Ideal for construction, masonry and DIY work, thanks to its resistance to oxidation, corrosion and high temperatures.

- Model: D-25
- Weight [gr]: 320
