Product sheet

Rotating Parallel Vise 6

Brand: COFAN

Reference: COF 09518005

Rotatable parallel vise made of high quality forged steel. Thanks to its materials, it provides durability and resistance. This vise is ideal for pipes up to 2 ½". This tool can be screwed on the top of the workbench, which makes it a much more practical instrument as it is fixed in the same place. It has a width of the 10, 15 and 20 cm jaws. It has more clamping force to keep the piece stable during editing. Designed with a 360-degree rotating base with double locking bolts.

- Opening [mm]: 160
- Width [mm]: 150
- Weight [kg]: 21.5
