### Description

#### Titanium Tip 1/4 25 mm T-20

- **Length:** 25 mm
- **Model:** 1/4" T-20

Titanium Torx screwdriver bits in 1/4", with footprints from 6 to 40. Available in 25mm versions and 50mm to adapt to different work needs. These tips are designed to offer durability and resistance, thanks to their titanium construction that makes them more resistant to wear and corrosion. The T-20 model is ideal for jobs that require a precise and secure fit, guaranteeing a firm grip on the screw. Its 25mm length provides the necessary versatility to reach hard-to-reach places, facilitating the screwdriving process. With these titanium tips, you can perform your tasks efficiently and with the confidence of having a quality product.
