Product sheet

Wire cutter 6 A. Performance - 160 mm

Brand: COFAN

Reference: COF 09600160

High-performance electrician wire cutter pliers made of chrome vanadium steel with special heat-resistant treatment that provides greater resistance and durability for work. Designed with cutting edges and ergonomic handle that allows for a better grip. These pliers are suitable for cutting and straightening cable. This pliers is usually used by craftsmen, electricians and electronics repairers. We recommend turning off the power before using them since the pliers are not insulated.

- Measurement: 6" 160 mm
