Spring Pliers 7

Brand: COFAN

Reference: COF 09600268

Universal spring-loaded electrician pliers made of chrome vanadium steel with a special heat-resistant treatment that provides greater resistance and durability for work. Designed with cutting edges and ergonomic handle that allows for a better grip. These pliers are suitable for cutting and straightening cable. This pliers is usually used by craftsmen, electricians and electronics repairers. We recommend turning off the power before using them as the pliers are not insulated. Available in different sizes

- Measurement: 7" 180 mm
