### Description

#### HSS Electromagnetic Drill Bit

- **Length:** 50 mm
- **Diameter:** 27 mm

The Corona HSS electromagnetic drill is a high quality and precision tool, ideal for drilling very hard materials. With a length of 50 mm and a diameter of 27 mm, this drill guarantees optimal performance in drilling work. Its electromagnetic design allows a safe and stable hold during operation, avoiding slipping or unwanted movements. Made from HSS high speed steel, this drill offers excellent wear resistance and long life. Whether for professional use in workshops or for DIY tasks at home, the Corona HSS electromagnetic drill is a versatile and reliable tool that makes it easy to make precise and clean holes in different types of materials.

### Specifications

|             |               |
|-------------|---------------|
| High        | 4,00          |
| Width       | 4,00          |
| EAN         | 8445187242034 |
| Weight (kg) | 0,201         |
| Depth       | 11,00         |
