

Product sheet

Long Life Automatic Tamper

Brand: COFAN

Reference: COF 09625000

Automatic punch-free punching. Thanks to the central groove you will prevent the direct grinding position from slipping or being removed unexpectedly, which causes deterioration of the drill bits. The purpose of the center punch or punch is to mark a fixed point. The center punch is also an excellent tool stored in the car to break the window in an emergency.

- Measurement [mm/"]: 4 mm 3/4"
- Length [mm/"]: 120 mm

Description

Long Duration Automatic Marker

The Long Duration Automatic Marker is an essential tool for marking fixed points precisely and safely. Thanks to its knock-free design and central groove, it prevents the grinding position from slipping or being removed unexpectedly, which prevents deterioration of the drill bits. Measuring 4 mm (3/4") and 120 mm long, this automatic punch is ideal for DIY work, carpentry and home repairs. In addition, its center punch can also be used as an emergency tool to break windows in critical situations. Don't be left without this practical and durable automatic punch in your toolbox!

- Measurement [mm/"]: 4 mm 3/4"
- Length [mm/"]: 120 mm
