

Product sheet

Hss-Co Drill Bit Case - Measurements: 1 - 10 mm (10 Pcs.)

Brand: COFAN

Reference: COF 09738127

HSS-Co high speed steel drill bit set with cylindrical handle. Made of high-precision cobalt alloy high-speed steel. 135 degree cross sharpened drill bit tip. Suitable for use on soft magnetic steels, stainless steels, construction and carburizing steels, as well as unalloyed and alloyed carbon steels with a strength of up to 1100 N/mm². They can also be used on cast iron, copper, brass and aluminum. The 10 drill bits have different diameters (Ø1, 2, 3, 4, 5, 6, 7, 8, 9, 10) and are presented in a plastic case with a hanger included.

- Set: 10 pieces

Description

Hss-Co Drill Bit Case - Measurements: 1 - 10 mm (10 Pcs.)

This set of HSS-Co high-speed steel drill bits with cylindrical handle is made with a high precision cobalt alloy, which guarantees greater durability and resistance. The tips of the drill bits have a sharpening angle of 135 degrees, allowing for more precise and efficient drilling.

- Suitable for use in a wide variety of materials, such as soft magnetic steels, stainless steels, construction and carburizing steels, as well as unalloyed and alloyed carbon steels with a strength of up to 1100 N/mm².
- They can also be used in cast iron, copper, brass and aluminum, which makes them a versatile and practical set for different types of work.
- The case includes 10 drill bits with different diameters (Ø1, 2, 3, 4, 5, 6, 7, 8, 9, 10), allowing you to have the right drill bit on hand for each task.
- It comes presented in a plastic case with a hanger included, which makes it easy to store and

transport in an orderly and safe manner.

Specifications

High	2,00
Width	9,70
EAN	8445187381917
Weight (kg)	0,239
Depth	16,20
