Description

100mm Hammer Hammer Crown

The 100mm Hammer Hammer Crown is a high quality construction tool, designed for precision drilling in hard materials. With a two-piece crown and carbide teeth, this drill bit ensures long-lasting and efficient performance. Its design includes a special threaded joint for greater stability during use. The drill bit has a body length of 80mm and a useful length of 70mm, making it ideal for deep drilling work. In addition, it incorporates a centering drill bit for greater precision at the beginning of drilling. The SDS MAX adapter ensures a secure and quick connection to the hammer hammer. With a diameter of 100mm, this core bit is perfect for medium to large sized drilling jobs in construction and renovation projects.

- Diameter [mm]: 100
- Length Body: 80

Specifications

High	22,00
Width	12,00
EAN	8445187080551
Weight (kg)	1,776
Depth	12,00
