Description

HSS Countersink Drill Bit

- **Drill range:** 16 - 30
- **Length [mm] :** 78

The HSS Countersink Drill Bit is a high-quality tool made of rectified high-speed steel, with two flat cuts that guarantee optimal performance in drilling work. Its stepped design allows for precise, clean drilling in a wide range of materials, from wood to metal.

With a drill range of 16 to 30 and a length of 78 mm, this drill bit is versatile and efficient , ideal for professionals and amateurs looking for professional results in their projects. Its robust and durable construction ensures a long life, while its countersunk design makes it easy to finish the holes, providing a clean and professional look.
