Description

Titanium Step Drill Bit-Drill 26 - 40

The HSS Countersunk Titanium Drill Bit is a high quality tool for performing precise drilling in different materials. Made of rectified high-speed steel, it has two flat cuts that guarantee a clean and efficient cut. Its stepped design allows drilling of different diameters without having to change drill bits, making it ideal for jobs that require versatility and precision.

- **Drill range:** 26 - 40
- **Length [mm]:** 86
