Description

Titanium Step Drill Bit - Tal: 20-30

- **Drill range:** 20 - 30
- **Length [mm]:** 93

The HSS Countersink Step Titanium Drill Bit is a high quality tool designed to drill hard materials with precision and efficiency. Made of ground high-speed steel, this drill bit has two stepped cuts that facilitate drilling and prevent premature wear.

With a drill range of 20 to 30 and a length of 93 mm, this drill bit is ideal for jobs that require drilling of different diameters in materials such as metal, wood or plastic. Its titanium coating provides greater wear resistance and longer life, making it a durable and reliable tool for professionals and hobbyists alike.

Specifications
