Description

90º Conical Countersink - 15.0 mm

- **Drill range:** 15.0 mm
- **Length [mm]:** 60
- **Shank Diameter:** 10 mm

The 90° Rectified High Speed Steel Conical Countersink with three Cuts is a high quality tool designed to make precise countersinks in different materials. With a diameter of 15.0 mm, this countersink ensures a clean, professional finish on every job. Its length of 60 mm allows adequate depths to be reached, while its shank diameter of 10 mm ensures a firm and stable hold during operation. Ideal for woodworking, metalworking and other industrial sectors, this conical countersink is a versatile and durable tool that makes the countersinking process easier for any project. It ensures high-quality results and precision with every use, making it a reliable option for professionals and demanding hobbyists.
