Description

Morse Reduction Cone Ext. 4 Int. 1

- **Morse Ext.:** 4
- **Morse Int.:** 1
- **L [mm]:** 124

This reduction cone accessory is designed for adapter elements with "morse taper". With an External Morse measurement of 4 and Internal Morse of 1, this reduction cone has a length of 124 mm. Ideal for applications requiring the adaptation of different sizes of Morse tapers, this accessory ensures a precise and secure fit. Manufactured from high quality materials, this reduction cone offers durability and strength for optimal performance. Whether for professional or personal use, this accessory is an essential tool for any work environment that requires the connection of elements with Morse tapers of different sizes. Make sure you have this high-quality reduction cone to meet your fitting needs efficiently and reliably.
