### Description

#### Morse Reduction Cone Ext. 5 Int. 1

This reduction cone accessory is designed for adapter elements with "morse cone", allowing a secure and stable connection between different tools. With an External Morse of 5 and Internal Morse of 1, this reduction taper has a length of 180 mm, making it ideal for various industrial and DIY applications. Its robust construction ensures durability and resistance, while its precise design makes it easy to install and use. Whether for machining, carpentry or any other task that requires joining tools with different Morse tapers, this reduction taper accessory is the perfect choice to ensure optimal performance and quality results.

- Morse Ext.: 5
- Morse Int.: 1
- L [mm]: 180
