

## Product sheet

## Work Girdle with Straps Size XL

Brand: COFAN

Reference: COF 11000138XL

This work belt has been designed and manufactured with the purpose of protecting the spine from intense efforts. It is made of very good quality polyester and cotton, structured with flexible plastic support bars and a semi-rigid plate on the back to protect and support the lumbar region. It has an adjustable elastic zone to provide greater compression and postural support. It is a very resistant product, with adequate width throughout its entire length. Includes straps for greater support. Available from size M to XXL.

- Size: XL
- Measurement: 110 - 126 cm

### Description

#### Work Belt With Straps Size XL

This work belt has been designed to protect the spine from intense efforts. Made of high-quality polyester and cotton, it has flexible plastic support bars and a semi-rigid plate on the back to protect and support the lumbar region. The adjustable elastic zone provides greater compression and postural support, while the straps ensure additional support. With a suitable width throughout, this sash is strong and durable. Available in sizes from M to XXL, size XL has a measurement of 110 - 126 cm.
