Description

Yellow Chain Connector Ring for Cones

The yellow Ring Connector for signaling cones is the perfect complement to maintain safety in work areas or events. Its strong and durable design ensures a secure connection between the cones, effectively keeping them in place. With a chain diameter of 8mm, it is compatible with a variety of signaling cones, making it a versatile option for different situations. The bright yellow color ensures high visibility, even in low light conditions, helping to alert people to potential dangers or restricted areas. Be sure to have the Yellow Cone Chain Connector Ring for effective and reliable signaling in any environment.

- Chain Diameter: 8 mm
- Color: Yellow
