High Visibility Parka Aldebarán Model Yellow Size XL

Brand: COFAN

Reference: COF 11002074-XL

High visibility waterproof parka designed to isolate body temperature from the outside. Thanks to its design and high protection capacity against the cold, with this yellow coat you can carry out any work safely and comfortably outdoors and under all types of adverse weather conditions such as cold, rain, snow, etc. The outer part of the parka is made of a 100% polyester fluorescent Oxford fabric, while its interior is made of a quilted fabric also made of 100% polyester. It has an interior hood with drawstrings, 4 pockets (1 of which is interior and the other 3 are exterior) and a central zipper closure hidden by a placket with snaps. In addition, it has reflective stripes on both the chest and the sleeves of the waterproof parka. In accordance with EN ISO 20471:2013+A1:2016 (Class 3). Available sizes: S, M, L, XL, XXL and XXXL.

- Size: XL
