Description

The S5 Green T-41 Wellies are the perfect footwear for working in humid and slippery environments. Made of high quality PVC, these safety boots have a steel toe and insole to protect your feet at all times. Its waterproof design will keep you dry even on the rainiest days, while its non-slip sole will provide you with greater stability on slippery surfaces. Ideal for use in work environments, these wellies are available in sizes ranging from 36 to 50, ensuring a perfect fit for each user. With excellent quality, comfort and ease of use, the S5 Green T-41 Wellies are the ideal choice for those looking for resistant and safe footwear.
