Product sheet

1/2 Adapter For 5/16 Bits

Brand: COFAN

Reference: COF 14008195

Ratchet adapter for bits. Made of hardened chrome vanadium steel with a high-quality coating that optimally protects against corrosion. The sockets fit particularly well with screws. The force is distributed evenly on the sides of the heads thanks to the notches in the edge areas, which results in better pressure distribution. Quality tools for DIY and craftsmen.

- Square: 1/2"

Description

1/2 Adapter for 5/16 Bits

The ratchet adapter for bits is made of hardened chrome vanadium steel with a high quality coating that protects optimal against corrosion. The sockets adapt especially well to the screws, distributing the force evenly over the flanks of the heads thanks to the notches in the edge areas, which translates into better pressure distribution. These quality tools are ideal for DIYers and craftsmen.

- Square: 1/2"

Specifications

High	2,00
Width	2,00
EAN	8445187089066
Weight (kg)	0,047
