3/8 Adapter For 5/16 Bits

Brand: COFAN

Reference: COF 14008196

Ratchet adapter for bits. Made of hardened chrome vanadium steel with a high-quality coating that optimally protects against corrosion. The sockets fit particularly well with screws. The force is distributed evenly on the sides of the heads thanks to the notches in the edge areas, which results in better pressure distribution. Quality tools for DIY and craftsmen.

- Square: 3/8"

Description

3/8 Adapter for 5/16 Bits

The ratchet adapter for bits is made of hardened chrome vanadium steel with a high quality coating that protects against corrosion. The sockets adapt perfectly to the screws, distributing the force evenly on the flanks of the heads thanks to the notches in the edge areas, which guarantees better pressure distribution. This quality tool is ideal for DIYers and craftsmen.

- Square: 3/8"
